Do you wish to have your booth judged? (<i>judges' decisions are final</i>)		Yes	no

Please note: Size allocations of booths are divided as equally and as fairly as possible. Consideration will be given to requests, however, not all requests can be granted. Please remember there is only so much space and all clubs must share the limited resource.

Building #22 will be open for decorating Monday - Thursday (6 – 9pm) and Friday (9am – 9pm) prior to the Fair. All projects and decorations must be in place by 9pm on Friday night. The building will remain closed until judging is completed on the first Saturday morning of the fair.

Individual projects must remain in the club's booth throughout the week. Members taking projects to Ohio State Fair should have a poster or picture of said project in the booth while it is gone from the building.

Project booths and individual projects may not be removed before 3pm on the last Saturday of the Fair. Any booth removed prior to this time will not be eligible to have booth space the following year and will forfeit any prize money won. All decorations must be removed from Building #22, including wall and floor coverings.

As booth advisor/ contact person, I agree to follow the above guidelines
