LOOK to Preble County

Preparing Tomorrow's Leaders Today

⇒ What is **LOOK to Preble County**?

LOOK to Preble County is a youth leadership program designed for high achieving Juniors and Seniors.

⇒ What will I do as part of **LOOK**?

Participants will take part in monthly day long activities designed to not only build leadership skills but also to learn about Preble County. Think of it like a field trip. Sessions will include visits to places around the county such as the Preble County Historical Society and area industries. At the end of the program, there will also be a recognition event to wrap up the program.

⇒ Why should I participate?

This is a great opportunity to learn about Preble County, network with other youth from Preble County, build leadership skill for now and the future and have fun. Also, as you look towards your future, participation in programs such as this can enhance college and scholarship application.

⇒ What is the cost?

Program costs will be covered by area sponsors who believe in the youth of this community.

⇒ Who is putting on this program?

The Preble County Chamber of Commerce and OSU Extension (the Preble County 4-H Program) are sponsoring the program.

⇒ How can I get involved?

Please complete the short application located at www.preble.osu.edu. Instructions about where to return are located on the form. **Applications are due November 2, 2018.** Selection interviews will be conducted November 13 and 15.
