Attendees have the opportunity to receive training in more than 125 different topics such as career exploration, risk management, camping, leadership, cake decorating, dancing, animal sciences, and much more.

The Preble County 4-H Committee generously helps to pay the registration fees for Preble County adults or teens to attend the conference. 4-H SCIENCE DAY/ RECRUITMENT EVENT—March 8 from 2:30 – 4:30 p.m. – Toney Building—We are excited to continue a new community event that is open to all Preble County Youth—not just 4-H members. The afternoon will be full of hands-on science activities that will be fun and highlight some of what 4-H can offer. This event is replacing the Family Fun Day that has been held in the past. We hope it will be a great way for families to come out and enjoy the afternoon together. 4-H Clubs are welcome to set up a table promoting your club at this event.

Do you love science?—we are looking for volunteers to help with the activities. Would also like ALL 4-H Clubs to help with science stations. We will provide the materials and instructions—you just need to help participants have fun! If you would like to help—call our office or email Christy at mill-house.10@osu.edu.

PS. Thanks to everyone who helped last year to make this event a success!

PREBLE COUNTY TRASH BASH—Residents of Preble County will have a unique opportunity to make a real impact on the problem that is littering by participating in the 2020 Trash Bash.
