

# Weekly 4-H Word

March 19, 2020

*Wow—it has been a roller coaster of a few days with things sometimes changing hourly. Now that we have some official directives and have relocated our office to home, hopefully we will be able to continue to work to get our 2020 year off to a great start. It may look different that the normal but we can all work together to be creative and still meet the needs of our 4-H youth.*

## 4-H ENROLLMENT

Please keep completing your enrollments in 4honline. Our enrollment date is **April 1, 2020**.

On our website at <https://preble.osu.edu/program-areas/4-h-youth-development/how-join-4-h> you will find a link to 4honline as well as a tutorial. Both links are under the heading: Where do I sign up. Remember that 4honline does not like cell phones and if you are having issues enrolling using your phone, that is probably why.

We also just posted two video tutorials on our Facebook page as a helpful guide to completing enrollment. Thanks to my colleague, Amanda Raines, for creating and sharing these videos.

### Advisors:

- Please remember to complete your enrollments.
- Also, please keep confirming your members. Nancy will be watching and confirming members as well.

### Members:

- Please continue to enroll through 4honline. Remember that if you are a returning member—**DO NOT build a new profile**. Just log in to your current profile, check your information, sign where needed and update your projects. IF you have trouble logging in, contact Nancy. Do not build a new profile!
- If you do not have access to the internet, we now have public internet at our office that does not require a password. We tested our public internet and it seems to be working from our parking lot. As long as our county building (not our office) remains open, you should be able to access the internet inside the building as well. Look for WiFi@OSU.
- Your profile will remain pending until your advisor and Nancy complete confirming it. You may receive an email with something to fix. If you do, please do that as soon as possible.

## NEW ADVISORS

We are continuing to process new advisor applications. Reference are being sent and as those and background checks are completed, interviews will be scheduled. We will be doing interviews virtually and well as the new advisor training scheduled for April.
